Fair Presentation of Risk

The **Insured** must take care to give accurate and complete information relating to the insurance provided by this **Policy** and is required to make a fair presentation of the risks that are or would be insured under this **Policy**.

A fair presentation of the risks means that, in addition to answering any questions asked, the **Insured** must:

- 1 disclose to the **Insurer** every material fact or circumstance which the **Insured** know or ought to know or, failing that, sufficient information to alert the **Insurer** of the need to make further enquiries;
- 2 make such disclosure in a reasonably clear and accessible manner; and
- 3 ensure that, in such disclosure, any material representation as to a matter of fact is substantially correct, and a matter of expectation or belief is made in good faith.

A circumstance is material if it would influence the **Insurer's** judgement (as a prudent underwriter) in determining whether to take the risk and, if so, on what terms. If the **Insured** is in any doubt as to the whether a circumstance is material, then the **Insured** should disclose it.

If the **Insured** becomes aware that the information the **Insured** has given to the **Insurer** is inaccurate or incomplete or the **Insured** has any particular concerns about any of the information the **Insured** have provided or should provide, before or after the start date of this insurance as shown in the **Period of Insurance**, then the **Insured** must advise the **Insured's** Insurance Adviser.

If the information the **Insured** has given the **Insurer** in relation to this insurance proves to be inaccurate or incomplete, then the **Insurer** may:

- 1 amend the terms of this **Policy**, which may be applied as if they were already in place prior to any claim where the validity of that claim was impacted by the inaccurate or incomplete information, or
- 2 reduce the amount the **Insurer** pay on a claim in the proportion the premium paid bears to the premium that the **Insurer** would have charged the **Insured** had the information not been inaccurate or incomplete, or
- 3 treat this **Policy** as if it never existed, which means no claims will be paid and the premium paid under it will be returned. This will only be done if this insurance would not have been provided if the information given had not been inaccurate or incomplete.

If the **Insurer** establishes that the **Insured** deliberately or recklessly provided false or misleading information in relation to the insurance provided under this **Policy**, the **Insurer** will treat this insurance as if it never existed for the **Period of Insurance**, which means no claims will be paid and the **Insurer** will not return the premium. If this happens the **Insurer** will advise the **Insured** in writing to the **Insured's** address shown in the **Schedule**.

If the **Insured** becomes aware that any information it has provided is inaccurate, or if its insurance requirements change, the **Insured** must inform its Insurance Adviser as soon as practicable.

If:

- 1 the information the **Insured** has given the **Insurer** in relation to this insurance changes, or
- 2 there is any significant change in or variance of the risk,

before or during the **Period of Insurance**, then the **Insured** must notify the **Insurer** in writing as soon as practicable as it may result in:

- a. the **Insurer** applying different terms; and/or
- b. a claim not being paid (in whole or in part); and/or
- c. it being determined that this **Policy** is no longer suitable to meet the **Insured's** needs.

The **Insured** must make a fair presentation of the risks to the **Insurer** if there is any significant change in or variance of the risk before or after the start date of this insurance.

The decision to impose additional terms will be at the absolute discretion of the **Insurer** and will be based upon what the **Insurer** would have done had a fair presentation of risk been made and will be notified in writing to the **Insured's** Insurance Adviser.

In the event that any loss relates to Property Insured by Sections 1 or 4 and the **Insurer** charges an additional premium then it is at the **Insurer's** discretion whether to pay to the **Insured** the value of the Property Insured at the time of any **Damage** or at the **Insurer's** option reinstate or replace such Property Insured or any part of the Property Insured.

Fraud

If the **Insured** dishonestly or recklessly makes any claim, the **Insurer** shall not be liable to pay that claim and the **Insured** shall repay to the **Insurer** any sums already paid by the **Insurer** in respect of that claim. The **Insurer** may cancel this insurance from the date of the fraudulent act on written notice to the **Insured**, and will not be liable for any claims after the fraudulent act, and will not return any premium.

International Sanctions

The **Insurer** will not provide cover, be liable to pay any claim or provide any benefit if to do so would expose the **Insurer** (or any parent company, direct or indirect holding company of the **Insurer**) to any penalty or restriction (including extraterritorial penalties or restrictions so far as such do not contradict laws applicable to the **Insurer**), arising out of any trade and economic sanctions laws or regulations which are applicable to it.

Limit of Liability – applicable to Sections 1-12

The liability of the **Insurer** for **Compensation** payable under any one **Section** (or Item or Sub-Section therein) or **Extension** for any one claimant or number of claimants in respect of or arising out of any one occurrence or series of claims arising out of any one occurrence or all occurrences of a series consequent on or attributable to one source or original cause shall not exceed the appropriate **Limit of Liability** stated in the **Specification** to the relevant **Section**.

Non-Invalidation Applicable to Sections 1-12

The insurance provided by this **Policy** shall not be prejudiced by any act or omission unknown to or beyond the control of the **Insured** whereby the risk of **Damage** to property or **Bodily Injury** is increased, provided that the **Insured** upon becoming aware of such act or omission shall as soon as practicable give notice in writing to the **Insurer** and pay an additional premium if required and comply with any additional requirements imposed by the **Insurer**.

This Condition shall not apply to:

- 1 any breach by the **Insured** of its duty of disclosure (including its duty to make a fair presentation of the risk); or
- 2 any breach by the **Insured** of a condition under this **Policy** which is not a Policy Protection and Maintenance Condition (as set out below).

If a mediator is not agreed then either party may apply to the Centre for Effective Dispute Resolution ('CEDR') for the appointment of a mediator. The parties agree to share equally the costs of CEDR and of the mediator and that the reference of the dispute to mediation will be conducted in confidence.

The Insured and the **Insurer** agree to perform their respective continuing obligations under this **Policy** while the dispute is resolved unless the nature of the dispute prevents such continued performance of those obligations. If any such dispute is not resolved by mediation or the **Insured** and the **Insurer** cannot agree upon the appointment of a mediator or the form that the mediation will take the dispute will be submitted to the jurisdiction of any court of competent jurisdiction within England and Wales and each party agrees to comply with all requirements necessary to give such court jurisdiction.

Conduct of Claims

- 1 Following notification above the **Insurer** shall be entitled at its own expense to take over and within its sole discretion to conduct in the name of the Insured the defence and settlement of any such claim.
Nevertheless, neither the Insured nor the **Insurer** shall be required to contest any legal proceedings unless a Queens Counsel (to be mutually agreed upon by the **Insured** and the **Insurer**) shall advise that such proceedings should be contested.
- 2 The **Insurer** may, at any time in connection with any claim made, pay to the Insured the Indemnity Limit (after deduction of any sums already paid) or any lesser sum for which, in the sole opinion of the **Insurer**, the claim can be settled and upon such payment being made the **Insurer** shall relinquish the conduct and control of and have no further liability in connection with the claim. For the avoidance of doubt the **Insurer** shall have no liability to pay Defence Costs and Expenses incurred after the date upon which any such payment is made.
- 3 The Insured shall pay the relevant **Excess** and **Insurers** shall only make a payment under this **Policy** after the applicable **Excess** has been fully paid other than in relation to a payment being made under 2 above.

If a claim which is only partially covered is made against the Insured, the **Insurer** has the right and duty to defend the Insured, with payments for defence costs incurred in relation to any uninsured claim being deducted from the **Insurer's** contribution to any final damages settlement. Irrespective of whether or not the **Insurer** makes any final damages settlement, the Insured is liable to reimburse the **Insurer** for defence costs incurred in relation to any uninsured portion of any claim. The defence costs incurred will be reviewed in their entirety and an appropriate allocation should be made between the covered and non-covered defence costs incurred. It is agreed that both the **Insurer** and the Insured will use best efforts to determine a fair allocation of covered and non-covered defence costs proportions of a claim. If a fair allocation cannot be agreed the **Insurer** and the Insured agree to follow the dispute resolution process in General Policy Conditions. The **Insurer** has no duty to defend the Insured against claims where:
